

Ideas to Share

Masking Tape Path

This idea can help children with low vision. Using masking tape, create a path for them to follow to help them get around the house. You can also use the masking tape during play and map out a maze on the floor for the child to follow.

Idea adapted from *Easy Toy and Game Adaptations* by Diana Mines Nielander, National Lekotek Center. For more information call the Lekotek Toy Resource Helpline at 1-800-366-PLAY, or E-mail at Lekotek@Lekotek.org or visit our web site at www.lekotek.org.
