

Consumer and Advocate worksheet for gathering information needed to submit a request to fabricATE

Use this worksheet to gather and record information that the consumer can then use to submit their request to fabricATE. Complete information will ensure the shortest possible timeline between submitting the request and delivery of the AT solution to the consumer.

Notes

<i>Consumer name</i>	
<i>Contact information (phone, email)</i>	
<i>Age of Consumer who will use the AT solution</i>	
<i>Situation: What is it that the Consumer cannot do now that he/she would like to/need to be able to do? Provide as much detail as possible. Ideally, send a video via email.</i>	
<i>What type of, if any support is currently needed or provided so that the Consumer can complete this activity/task?</i>	
<i>What AT solutions or tools, if any are used now?</i>	
<i>What AT solutions or tools have been tried?</i>	
<i>Provide information about any service agencies providing support to the Consumer (therapy, medical, recreational)?</i>
